# Our Anniversary Sale as Great as Ever

Never in the History of New York Retailing Has Such an Unusual Event Been Inaugurated.

The hardest task we can set ourselves is to better our own best records of the past. That is exactly the task we undertake. First we strive for better values, more perfect service and broader facilities. Then we reach for greater results and we get them. Prices are shaved far below their normal low level. Bright, new, well made, reliable merchandise. Not the least slighting of quality to gain a fraction of profit. Last Monday saw special offerings swept from tables and counters with a mighty rush. To-morrow ought to bring even greater selling. We are giving values that amaze even the most experienced bargain hunters.

Is As an Added Attraction to This Event We Shall Offer 14 Items at Exactly 1/2 Price.
